## Selection and Preservation

[illegible][illegible]

## How will you share the data?

[illegible][illegible]

### Who will be responsible for data management?

DMP

What resources will you require to deliver your plan?

1. 2. 3. 1. 2. 3. IT VPN

# Planned Research Outputs

## Dataset - "Population of the World"

This dataset is a collection of demographic data for the world's population, covering the years 2023 to 2050. It includes information on age, gender, and education levels. The data is sourced from the United Nations and is available in both English and Spanish. The dataset is intended for use in research on population growth and development. It is a public domain work and is available for free use. The dataset is a collection of demographic data for the world's population, covering the years 2023 to 2050.
